

## **Membership Benefits**

**The Dural and Round Corner Chamber of Commerce represents the local business community; working together to promote, support and assist local business development of Dural and surrounding suburbs.**

### **Supporting Each Other**

**From its inception in 1987** the Chamber's mission has always been to provide dynamic business network supporting local businesses in the Dural, Galston, Glenorie, Cherrybrook and Glenhaven districts .(should we be so specific?).

For our business community to flourish within a rapidly evolving commercial and residential landscape we recognise the need to enable our membership to be informed, be offered professional development opportunities, have access to open discussion with other local businesses and share knowledge and expertise.
